

EOP Room Use Request Form

Group Information

General Guidelines:

EOP facilities can be reserved excluding the first week (first 5 days of instruction), dead week and finals week for meetings and/or educational programming only (e.g., programs, films, lectures, group socials, receptions, and retreats). Overnight events and other such activities not associated to the well-being and academic environment of the campus community are not permitted. In order to meet needs and demands of all student organizations, recurring weekly reservations will be limited to TWO hours per organization.

EOP Does not provide after-hours (after 6pm on Fridays and weekends) staffing. Approval for after-hours requests for EOP spaces will not be granted unless the same event has already been approved for SRB spaces.

Priority reservations will be given to student organizations affiliated with the respective Cultural Resource Center.

Completion of this form does not guarantee a reservation. Submit this form in person to the EOP front desk. We will notify you regarding the status of your request via email.
