

WEEK 2 NEWSLETTER
WELCOME TO WINTER QUARTER
2022

Happy new year, Gauchos!

Welcome back! We here at EOP hope you've had a restful and restorative winter break and had the opportunity to spend time with loved ones. While unfortunate circumstances have necessitated a partial return to remote learning for the month of January, we are still here for you! EOP will continue to provide its full range of services this quarter, from academic counseling to community events and more. We know that online classes can be challenging for some, but we have faith that you will do well this quarter! Please reach out to us in EOP for support and guidance as you navigate the remainder of the year. Good luck, Gauchos!
